PRINCIPALS MESSAGE

Kia ora koutou

This week has been rather sad for us as we farewell senior class teacher Paige Kelly (nee Coleman) from our school. Paige started here as a Beginning Teacher back in 2020 in the junior class and her switch to the seniors has meant that for some of our students she has been their teacher throughout their schooling. During her time at Rangitoto School, Paige has time and time again demonstrated her passion and skill for teaching, her ability to grow strong relationships with students and parents, and has supported her students to achieve great results in their learning. As fellow staff members we have appreciated her organisation skills and willingness to go the extra mile to make the school and school events function effectively. We now fully support Paige as she spreads her wings to move on to new adventures and experiences. We know her new school will soon come to appreciate her as much as we do. Paige we wish you the very best as you move on and I'm sure you know you will always be welcome back for a visit as a special member of the Rangitoto School whanau. Thank you once again for everything you have done for our school and students.

In other news, we will be holding our school orienteering this coming Thursday with the interschool event at Aria the following Thursday 19th June. Our school Matariki sleepover is also coming up quickly on Tuesday 17th and Wednesday 18th. The notice for our school orienteering event will be sent home today, Matariki details will go home hopefully on Tuesday and the interschool orienteering notice on Thursday. A heads up that we will be seeking parent transport for the interschool orienteering (students will be chosen from Year 3-8 after our school event).

A reminder students have a long weekend this weekend with our second and final Teacher Only Day for the year happening on Monday 9th June so teachers can work on the Mathematics Curriculum Refresh documents. We appreciate this can be difficult to organise for some families - please be assured we sincerely appreciate your support of staff as we navigate through the new curriculums and work on how to implement them effectively in our teaching and learning programmes here at school.
