PRINCIPALS MESSAGE

Kia ora koutou

Our staff have been busy preparing for our visitors from the Education Review Office next week. Much of their work is done before the Review Officers even set foot into a school and I have been sending them lots of the information requested over the last month or so from a BoT, Principal and teacher perspective. This is a great opportunity to have open and honest discussions about what we are doing well at our wonderful little school to meet the needs of our students and community as well as identifying where we can improve. Parents are therefore invited by ERO to come along on Tuesday at 2.30pm and chat with them about the school. On Thursday ERO will meet with the school team to discuss the findings in their draft report which will be then finalised and made public later in the year.

We have also been busy with our drama production 'The Rocky Monster Show'. Students seem to be enjoying practising their parts and are getting into the swing of their characters. I think it will be a lot of fun on the day!

Today we have had an architect visit the school to draw up plans for our deck extension. This extension will give us a lovely covered and sheltered area to use as an outside learning space. I will let you know more as the project progresses. Our new library/meeting space is slowly but steadily progressing and we hope to be using it before the end of this year.

Mrs Reynolds and Miss Price have also been spending time this week organising school camps. We apologise that due to our hectic start to term we haven't got details out to parents yet but I can say that we are very close to being able to confirm these. Dates for senior camp are tentatively 2nd-5th December. Once details are shared for both camps, we will be asking for parent helpers. We will need to finalise these in good time so we can arrange police vetting as per our school policies.

Everyone should also be receiving information today about our Ski Trip on 18th September with important forms to return. Please let us know if you haven't received it. Have a great weekend everyone. Best wishes and good luck to those students with sports finals on tomorrow.
