PRINCIPALS MESSAGE

WEEK 7, TERM 2, 2024

Kia ora koutou,

What a busy couple of weeks we've had at school after the King's Birthday public holiday! Last Thursday, our students showcased their navigation skills by finding their way to checkpoints around the school and Wallace Farm. It was lovely to see our older students guiding the younger ones along the course. A massive thanks to Miss Coleman for organising the event, and to Rebecca Lynch and Ranae Duder for their help with marshalling. What a fantastic event!

As we approach the middle of the year, our teachers are hard at work using both summative and formative assessments to inform their overall teacher judgements. This helps us see how each child is progressing against the curriculum.

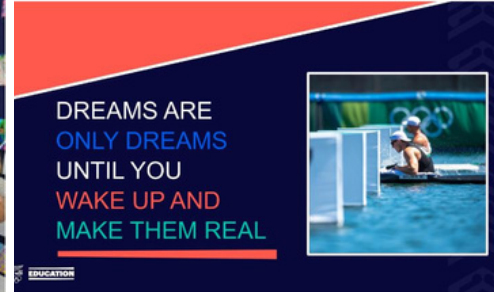

Mid-year student achievement reports will be sent out on the 27th of June, with parent interviews scheduled for the 1st of July from 3-6pm. Bookings will be available through the school office in the coming week.

Totara Springs

On Monday, Miss Coleman and I met with some of the Piopio College staff to organise the combined Totara Springs Sports Camp at the end of September. This is a wonderful opportunity for our Year 7 & 8 students to make new friends, play sports, and create lasting memories. There is a timetable of practices that have been scheduled Term 3 later in the newsletter.

Today, we were fortunate to have Max Brown speak to our students about the core values of the Olympics. Max represented Aotearoa at the Tokyo 2020 Olympics in the Men's Canoe Sprint K2 1000m and placed 5th, and just yesterday was named as part of the New Zealand team for the 2024 Olympics in Paris. It's inspiring for our students to hear from such a remarkable sporting role model.

Tomorrow, we have a team of students heading off to the Aria Inter-Schools Orienteering event to represent our kura. Best of luck to our team!

Next week, Our netball team will be competing in the Eddie Alcock tournament, we wish them all the best, and look forward to hearing all about it. The rest of the

school will visit Kio Kio School to watch their production of "The Lorax". We are excited to their stage performance.

Attendance Matters:

Being on time is also important. Being late means missed learning opportunities.

- Arriving 5 minutes late every day adds up to 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

This year, I will be printing out individual attendance statistics that will be sent home with your child's student achievement report. Being at school has an impact on student achievement and progress.

Have a wonderful weekend, everyone.

Ngā mihi nui,

Pip Were - Principal Rangitoto School

IS YOUR CHILD TOO SICK TO GO TO SCHOOL?

New guidelines to help parents decide whether their child is well enough to go to school.

KEEP YOUR CHILD HOME FROM SCHOOL IF:

- They are too sick to learn and need time to rest and recover
- They have tested positive for COVID-19
- They display a "symptom of concern" including fever, vomiting, diarrhea, or difficulty breathing
- They have nits (head lice)
- They have been diagnosed with an infectious disease

YOUR CHILD CAN GO TO SCHOOL IF:

- They have mild respiratory symptoms like a mild cough, headache, or runny nose (but not COVID-19)
- They have hayfever or allergy symptoms
- They have non-infectious skin problems
- They appear well - happy, eating and drinking normally, and able to focus on learning
- Remember, the health and wellbeing of your child and their classmates is the priority. When in doubt, keep them home to recover and prevent the spread of illness. Working together, we can keep our school community healthy.
