# PRINCIPALS MESSAGE

Kia ora tatou

What a fun week it has been for our students! The Auckland camp has included so many exciting activities for students and I am so looking forward to hearing all about their adventures first hand. Often parents do not realise the huge amount of work that it takes to organise and run a successful camp and I know Miss Price and Miss Byrne have gone above and beyond in their efforts.

As a bonus on Wednesday, Teacher Aide Sam and I had such a lovely day at Hamilton Zoo with the students who didn't attend camp. We had great fun looking at and learning about lots of different animals.

As always thank you so much to all our parents who do such an amazing job getting children organised for camps or trips and supporting these activities in so many ways including being parent helpers. We absolutely could not do it all without you.

Our next priority for the school is cross country - both our school event happening next week and then the interschool event on the 22nd May. Thanks to everyone who has returned forms saying how they can help out for one or both of these events. Students have been running each morning before school this term in preparation for these events as they try to increase their fitness. We look forward to seeing our families come along to support them.

This term staff are focusing on our school values when we are deciding on awards to present in weekly assemblies. Each fortnight we will focus on one of our values (Creativity, Curiosity, Caring and Confident) in class so that by the end of term all students will be able to talk about what each value means and why it is important to our school.

For the next two weeks our students and staff will be busy with assessments using the new Ministry SMART tool. Attendance is important during this time to ensure all assessments are completed on time as we have a limited window to supply results to the MOE.

Also over the next couple of weeks we have two sessions with Senior Constable Irwin from NZ Police on Keeping Ourselves Safe. More information can be found later in this newsletter.

I'm hearing lots of stories from students on how much they are enjoying their winter sports this year. Thanks everyone who is involved with supporting students with this. Best wishes to those with games this weekend.

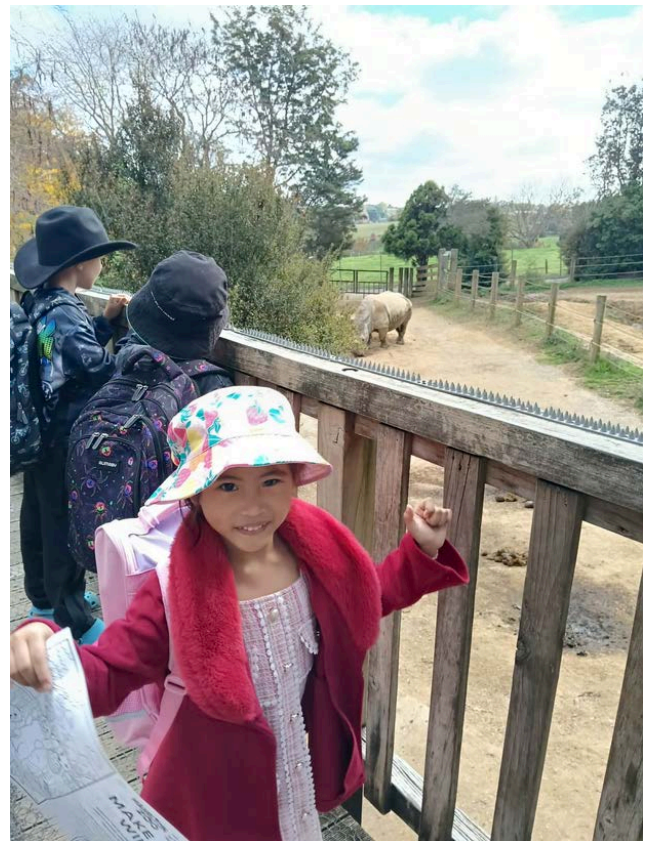

To finish off this week, I'd like to wish all mums out there a Happy Mothers' Day. I hope you all enjoy a wonderful Sunday with your families.

Welcome Alliyah and family to Rangitoto School!

# Keeping Ourselves Safe: Information for parents/whānau

---

## What will children and young people learn?

They will learn:

- to work out when their safety is at risk
- how to keep safe when they meet and mix with other people
- who and how to ask for help if they, or someone they know, is being abused
- to go on asking for help until someone does something to stop the abuse
- that it is important to make and follow personal, family and school safety rules.

They will know:

- that abuse is never okay
- that abuse is never their fault.

View the [Keeping Ourselves Safe programme resources](#).

## What part do parents, caregivers and whānau play?

Parents and whānau are strongly encouraged to support Keeping Ourselves Safe.

- You can attend a meeting at school to tell you more about Keeping Ourselves Safe.
- You can find out about abuse and what to do if you think a child you know is being abused.
- You can talk to your child about what they have learnt in Keeping Ourselves Safe.
- You can set safety guidelines with your family.
- You can help young children with the Keeping Ourselves Safe activities they bring home.
- You can give the same safety messages as the school is giving.

More information can be found at <https://www.police.govt.nz/advice/personal-and-community-advice/school-portal/resources/successful-relationships/info-parents-whanau>

# HELP NEEDED

Hi all, my name is Jessica Lindsay. I have put my hand up to help out with fundraising for the school but I can't do this alone! Many hands will make light work. I think the best step moving forward is to get together with any parents/caregivers interested in helping out to identify what has worked in the past, and what we can do moving forward.

- Do we do two big fundraisers a year?
- Do we do four smaller ones (1 each term?)

If you are interested in helping out or having some input could you meet me at the scout hall in Te Kuiti on the 29th of May at 7pm. If this is not doable and you have a different time/day or location suggestion please let me know, I am happy to make it work for everyone that is keen. Alternatively you can send through some ideas for us to discuss. My number is 0272380438. I look forward to hearing from you!

Jessica Lindsay

Together  
We Can!

# CERTIFICATE Winners

James Duder - for showing confidence and dedication during cross country training.

Fritzy Cabrera - for showing curiosity and determination in maths.

Osian Oliver - for your ANZAC Day story and creativity in art.
