PRINCIPALS MESSAGE

Kia ora koutou

Term 4 is underway and is shaping up to be a good one with lots of events to look forward to including Grandparents Day on the morning of the 17th November. After morning tea that day we will be holding our school Athletics Day so grandparents will be welcome to stay on for that too if they wish. Fingers crossed for a day of fine weather!

I hope to be able to confirm the 2027 Junior Room teacher this week so will update the school community as soon as possible. Applications for the principal role also close at the end of this week so less than a month until your new school leader is appointed.

Last week was a lot of fun with students having a very creative focus on completing art projects for Pet Day last Friday - what an amazing display of artistic talent! I know how much effort students put into their creations and was so proud to see all the finished products on display. I also enjoyed meeting the many loved pets that came along on the day. A huge thank you to staff for all your efforts, parents for supporting students with their creations, and our wonderful sponsors who contributed some great prizes. It was lovely to see every participating child, not just the winners, receive a prize pack on the day. A special thanks to Ranae Duder for all her hard work with Pet Day organisation.

Teachers are busy now preparing for student academic assessments for end of year reporting. Similarly to mid year, we will be using a mixture of MoE online SMART assessment results, in class testing and teacher judgments based on a student's daily achievements.

This is the time we request that all prizegiving trophy cups and awards be returned to school ready to be sent away for engraving next month.

A reminder that as a Sunsmart school, all students are required to wear school hats (or a similar style from home). Caps are not permitted. Students who don't wish to wear a hat will be asked to remain in the shade near the school buildings. Students also need to be wearing shirts that cover their shoulders - no singlets. Sunblock is available in the classrooms and students will be encouraged to apply it before each block.

We would like to thank the following wonderful sponsors for making our Rangitoto Pet Day a huge success!

- Tru-test Datamars
- Levno – Fuel and Silo Monitoring
- Fmg – Insurance
- Farm source – all farming needs
- Blue Pacific Minerals – Calf Minerals and health
- LIC – Livestock Improvement – Breeding

Also a massive thank you to Ranae Duder for organising the prize packs! 🙂

NZ Silver Fern Rally 2026

Final Notice of Road Closure

PLEASE READ CAREFULLY

Dear Resident

The Ultimate Rally Group, the promoters of this event, have been granted legally sanctioned temporary road closures by local councils to run the 2026 NZ Silver Fern Rally, a motorsport event to be held in the North Island from Saturday 28th November to Friday 4th December 2026.

Competition vehicles will travel this stage from the **START** to the **FINISH** as indicated on the map below:

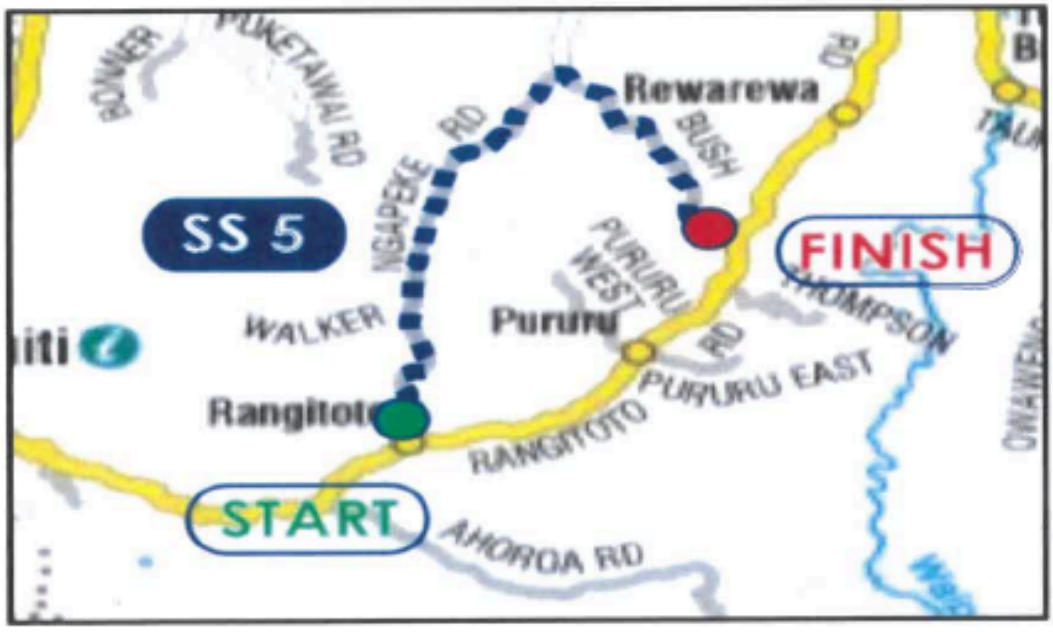

Details of the proposed road closures are as follows:

Stage Name: **NGAPEKE / TAHAIA-BUSH ROAD**

Date and Time of Closure: **Saturday 28th November 2026 12:10pm – 4:40pm**

Name of Roads:
Ngapeke Road, 200m from its intersection with Rangitoto Road to its intersection with Bush Road, including its intersections with Walker Road.
Bush Road, from its intersection with Ngapeke Road to 200m from its intersection with Barber and Rangitoto Roads.

URG ULTIMATE RALLY GROUP

NZ Silver Fern Rally 2026

Final Notice of Road Closure

PLEASE READ CAREFULLY

We acknowledge that this road closures may cause some inconvenience to you and your family. However, we hope you will also take the opportunity to enjoy the event and experience some of New Zealand's leading rally drivers and historic rally vehicles in action. If you would like an escort during the road closure, please contact NZ Silver Fern Rally Base on 09 2988 322 to organise.

We request that you please inform all runoff users, Landlords, visitors and commercial operators where applicable and ask that, if possible, you please move stock away from the roadside.

Advanced medical personnel attend every stage. The NZ Silver Fern Rally event is co-ordinated via an extensive radio network. Should you urgently need to contact Ultimate Rally Group or emergency services, do so on:

Emergency Telephone Number 0800 827 427

Should you require entry or exit from/to your property during the road closure please contact the office on 09-2988322 to discuss, as subject to safety, NZ Silver Fern Rally Base will allow restricted access under escort during the road closure period.

If you require Fire, Police or an Ambulance, dial 111.

On the day, the local Marshal group will tape gates, driveways and intersections. This is a Governing Body requirement and will start prior to the road closure commencement. You will still be able to exit your property prior to the start of the road closure time **but not after**. If you must lower the tape **prior** to road closure, we would appreciate if you could please put the tape back in place.

Please be aware that there will be vehicles travelling the closed roads at high speed once the road closure is in effect, with Targa official safety cars travelling the closed road first, to ensure the road is secure and safe.

The event may finish earlier than the road closure approval time. A **"SWEEP"** vehicle with flashing lights, siren and PA will announce the road is open for normal use. The Marshal group will then remove the safety tape shortly after.
When spectating please always stand in a safe place, supervise your children and listen to the Marshals instructions.
If you have any queries or if any damage occurs to your property as a result of the NZ Silver Fern November Rally event, please contact Ultimate Rally Group.

The Ultimate Rally Group is proud to support the New Zealand Rural Support Trust. Together, we would like to thank local community groups, volunteers, residents, and businesses for their assistance in making events such as this possible. We greatly appreciate the goodwill and support of your community as we work through the approval process with your local council.

Kind regards

Peter Martin
